Video Coverage of DC's IMF/World Bank Protests

Join us for the first Atlanta screening of the independently produced "Breaking the Bank" video and discussion

"The IMF and World Bank insist on conditions that require cutting back social programs, deregulating markets, laying off workers, erasing workers' protections." - John Sweeney, Pres, AFL-CIO

"The IMF's policies have inflicted extreme suffering on the world's population." - Ralph Nader

Guest speaker to start at 7pm, Thursday June 15th at 374 Maynard Terrace, SE, Atlanta.

The video itself is 74 minutes of action from the April 16th Washington DC protests plus interviews with selected commentators and activists. Come see yourself and fellow protestors at work and in the streets!
