

# Ga Green Party Ballot Access Petition Drive Circulators' Pledge Form

**You can count on me.** I share this Party's commitment to putting its candidates on the ballot. I pledge to collect by the July 9th, 2002 filing deadline:

2000 signatures,                       1000 signatures,  
 500 signatures,                         250 signatures,  
 100 signatures,                          \_\_\_\_\_ signatures.

In recognition of the enormity of the ballot access hurdle before us, I recognize that our ability to meet our goals of placing our state-wide Green Party candidates on the ballot will depend on my steady and consistent contribution to our overall goal. In light of this, I pledge to file by the last day of each month, my ballot access signatures on petition forms with completed, signed and notarized Circulator's Affidavits. I pledge that consistent with my overall pledge made above, that my monthly filings will contain  200 signatures,  100 signatures,  50 signatures,  25 signatures,  10 signatures,  \_\_\_\_\_ signatures; and that I will either deliver to my county petition drive coordinator or mail to our state-wide petition drive coordinator, by the last day of each month my monthly pledged signatures.

I pledge to learn the State rules related to the petition drive and to take care to collect validate-able signatures on the form of their county of residence and only from registered voters, who print and sign their name, share their address, county, the date of their signature, and should it be required, that I will urge that they share their birth date as well.
